

SYCAMORE SCHOOL

Sycamore school is committed to creating an inclusive student body and broadening socioeconomic diversity by providing need-based financial aid to qualified students. The Financial Aid Committee considers many factors when assessing a family's ability to pay for educational expenses, including total income, assets, expenses, family size, and standard cost of living. Parents requesting financial aid must re-apply each year.

All information submitted with the financial aid application is strictly confidential. All applicants for admission are evaluated without regard to a request for financial aid. The Financial Aid Committee distributes individual awards only after a student has been accepted for admission.

D. SPECIAL CONSIDERATIONS

The completed financial aid application should reflect a clear picture of your family's overall financial profile. Please submit a letter with your financial aid application to explain any unusual or special circumstances.

To finalize your financial aid application, please upload the following documents to your Curacubby account, under Forms and Files. Please select "Upload Additional File" and name the document type in the description section.

- Most Recent W-2's received by all Parents/Guardians listed on application
- Signed 2020, preferred but 2019 accepted, Federal Income Tax Return 1040 (including all schedules and attachments as filed)
- Mortgage or rental agreement
- Two most recent pay stubs
- Current credit card/loan statement
- Other documentation (recent utility bill, daycare statement, etc.) may be required
